Distr.: General
29 June 2021

Resolution 2582 (2021)

Adopted by the Security Council at its 8807th meeting, on 29 June 2021

The Security Council,

Recalling its previous resolutions and the statements of its President concerning the Democratic Republic of the Congo (DRC),

Reaffirming its strong commitment to the sovereignty, independence, unity and territorial integrity of the DRC as well as all States in the region and *emphasizing* the need to respect fully the principles of non-interference, good neighbourliness and regional cooperation,

Taking note of the final report (S/2021/560) of the Group of Experts on the DRC (“the Group of Experts”) established pursuant to resolution 1533 (2004) and extended pursuant to resolutions 1807 (2008), 1857 (2008), 1896 (2009), 1952 (2010), 2021 (2011), 2078 (2012), 2136 (2014), 2198 (2015), 2293 (2016), 2360 (2017) 2424 (2018), 2478 (2019) and 2528 (2020),

Expressing concern at the continued presence of domestic and foreign armed groups in Eastern DRC and the suffering they impose on the civilian population of the country, including from human rights abuses, *further expressing concern* at the continued illegal exploitation and trade of natural resources, which enable these armed groups to operate, *welcoming* the diplomatic engagement undertaken by the States of the region to foster peace and reconciliation in the region, *calling on* all signatory States to fully implement their commitments per the Peace and Security Framework for the DRC and the Region,

Reiterating the need for the Government of the DRC to swiftly and fully investigate the killing of the two members of the Group of Experts and the four Congolese nationals accompanying them and bring those responsible to justice, *welcoming* the work of the United Nations team, known as the Follow-On Mechanism, deployed to assist the Congolese authorities in their investigations, in agreement with the Congolese authorities, and *further welcoming* their continued cooperation,

Stressing the importance of enhancing the safe and effective management, storage and security of stockpiles of weapons and ammunition, including to reduce

the risk of diversion to armed groups of source materials for improvised explosive devices,

Stressing that the measures imposed by this resolution are not intended to have adverse humanitarian consequences for the civilian population of the DRC,

Determining that the situation in the DRC continues to constitute a threat to international peace and security in the region,

Acting under Chapter VII of the Charter of the United Nations,

1. *Decides* to renew until 1 July 2022 the measures as set out in paragraphs 1 to 6 of resolution [2293 \(2016\)](#), including its reaffirmations therein;

6. *Calls* for enhanced cooperation between all States, particularly those in the region, and the Group of Experts and *requests* the Group of Experts to provide to the Council, after discussion with the Committee, a mid-term report no later than 30 December 2021, and a final report no later than 15 June 2022, as well as submit monthly updates to the Committee, except in the months where the mid-term and final reports are due;

9. *Recalls* the Secretary General's commitment that the United Nations will do everything possible to ensure that the perpetrators of the killing of the two members of the Group of Experts and the four Congolese nationals accompanying them are brought to justice and *stresses* the importance of a continued deployment
